3/5 - o 3/12 - u 3/19 - w 3/26 - x

New Staff

We are excited to welcome Ms. Yareli to our team! Ms. Yareli has been working in the Early Childhood Education field for the past three years and will serve as our afternoon teacher and substitute teacher. We are happy to have her join the Lighthouse family!

Transitional Kindergarten & Kindergarten Enrollment (2025-2026)

We held our Kindergarten/Pre-K Information Night last month, and many families have already enrolled for the new school year. This is a friendly reminder about the upcoming enrollment deadlines. Please feel free to reach out if you have any questions.

How to Enroll: Register through our website and submit the yearly material fee of \$216 by 6/1/25. **Early Bird Discount:** Register by 4/1/25 and receive 50% off the material fee.

Healthy Lunches

The children have been learning about healthy eating, and we appreciate your support in encouraging balanced meals. We encourage you to pack at least one fruit and/or vegetable in your child's lunch each day.

Please pack food to be warmed in a microwave safe container separate from other food items. It otherwise makes warming food difficult for teachers at this very busy time.

March Announcements

Parent-Teacher Conferences:

- Sun and Earth Rooms: Please check the sign-up sheets posted in your child's classroom to select a time that works for your family.
- Ocean Room: Conferences are available by request — please let us know if you'd like to schedule one.

St. Patrick's Day: On March 17th — we encourage all children to wear something green to join in the fun!

Seasonal Clothing

Reminder: With spring around the corner, we ask all families to check your child's cubby to ensure they have

season-appropriate extra clothes. Please place these items in a labeled Ziploc bag so they're easy to find when needed.

Sincerely,
Lighthouse Montessori Staff 1933
